Comprehensive Programs

K12 Virtual Care

Our K12 Virtual Care Program provides public and private schools as well as independent K-12 school districts with the most complete mental health program available. Our program has 3 major categories: **24/7/365 On-Demand Counseling** for students and families, **Virtual Pediatric Behavioral & Mental Health Care** (including psychiatry with the ability to prescribe medications), and **Adult Virtual Mental Health Care**. Comprehensive behavioral health care from therapy and counseling to psychiatry and medication management. Our Virtual Behavioral Health solution gives members virtual access to connect with a Psychiatrist, Therapist or Licensed Counselor through secure and private online video and phone sessions, whenever and wherever they need it.

Campus Virtual Care

Our University 365 Care Program gives members unlimited virtual access to connect with a Therapist or Licensed Counselor through secure and private online video and phone sessions, whenever and wherever they need it. The program helps with Anxiety, Depression, Drug Abuse, Alcohol-Related Problems, Stress, Cultural Diversity Issues, Eating Disorders, Suicidal or Homicidal Ideations and much more.
